

*Your One Stop Shopping Center
For a
Wedding Photographer*

At DreamStudio, we take over the tedious job of finding a photographer. Over time, we have established good relationships with different free-lance photographers specializing in wedding photography. All you have to do is to meet our photographers, compare their artworks and choose the one who best fits your needs. All this can be done in a single visit at our studio. No more going around or flipping through the yellow pages to find the photographer. No matter what you are looking for, DreamStudio has the right photographer for you.

Great Flexibility & Affordable Packages

Compare to many free-lance photographers, DreamStudio is able to offer you much more with our specially designed packages. No matter which package you choose, you will have the flexibility of substituting one or more items for other items that you prefer. At DreamStudio, you will find unique luxury photo albums that you will not find anywhere else in Quebec.

Post Wedding Privileges

DreamStudio values each one of our customers. To show our gratitude for your business, we will give you a special passport after your wedding, which allows you to come back for free photos for your anniversaries, your first born baby or your family pictures.
